From Your EO

It's August already and the Home Show committee has met twice, setting the 2018 Show dates for February 9th-11th which doesn't conflict with Super Bowl, Dogwood Arts Home & Garden Show or other events which would limit our attendance. Jamie Hunt is the chairman for 2018 with lots of help from John Burcham.

I have several non-members asking about the show. Please let me know if you plan to participate before I call anyone who is not a member. No payment needed yet, just call or email to get your name on the list. I will be contacting the schools in August who plan to participate in "Battle of the Build". Johnson City HBA liked our idea so much they are starting the program with local schools in their 2018 Home Show.

Most of you know Denver received a broken ankle and a cut on his head during a fall last month. He had surgery Monday on his ankle, working some from home and hoping to get back to the office full time soon. We wish him a speedy recovery.

The golf tournament is just over a month away and we still need players (\$85 each) and hole sponsors (150 each). In order to get signs made, I need to know soon if you will be sponsoring a hole. Send me an email if you haven't already.

Mark your calendar for September 12th for the annual Associates Appreciation Breakfast. Builder board members will be cooking. Local officials, members of law enforcement and firefighters will be invited.

Frances Manis

Life Spikes
